

Footloose Friday

"**Footloose Friday**" TM on **Friday 12 June** is a day to wear your purple shoes, purple slippers, purple joggers, purple purple tights, or for the more conservative, purple socks, purple shoelaces or even purple toenail polish.

It's all about helping Australian's get back on their feet as we fundraise for Emergency Relief Service of Wesley Mission Brisbane.

Let's have some fun and raise money for those that need a helping hand in our own local community.

Emergency Relief provides food, shelter, blankets, and every day necessities to assist those that struggle to make ends meet.

Friday 12 June, everyone is encouraged to wear their favourite pair purple footwear... all relevant to helping others going through a tough time to get back on their feet.
