About BoysTown...

BoysTown is a dynamic and innovative national organisation, providing a diverse range of employment and training programs and counselling services to disadvantaged children, young people and their families.

BoysTown's mission is *"To enable young people, especially those who are marginalised and without voice, to improve their quality of life."*

About The Role...

The Employment Consultant will provide individually tailored employment related services to young people. These services will be aimed at assisting young people to achieve ongoing employment outcomes that are consistent with their individual needs and abilities.

Managing your own case load of streams 1 to 4 clients, you will be assessing vocational and non vocational barriers, developing plans to help them move into sustainable employment and supporting them to achieve their goals of obtaining employment. Working closely with our Employer Servicing Consultant, you will be looking at sourcing strategies to meet the needs of individual job seekers.

What We Are Looking For...

Working within professional boundaries, you will be dynamic and outgoing with demonstrated engagement skills and the ability to build strong rapport and motivate young people. As this is a KPI driven role, we are looking for someone with sound organisational and time management skills, who has the ability to think outside the square and work flexibly. Strong computer and admin skills and a proven ability to achieve objectives and targets is required. Previous

experience working within employment services and case management would be advantageous.

What BoysTown Can Offer You...

You will be part of a growing, national organisation with sites located throughout Australia, you will work in a friendly supportive environment where people and performance are valued. You will have access to internal and external training opportunities to enhance your skills, knowledge and experience. BoysTown offer attractive employment conditions including access to salary packaging arrangements and paid maternity leave.
