

Finance Manager

- Outstanding Leadership Role
- Hospitality & Property Focus
- Package circa \$110K

We are a centrally based progressive service business delivering across the hospitality, property and community sectors. This is an exciting new opportunity for a talented Finance Manager to add value at a commercial and strategic level.

You will work closely with the CEO and Board, to drive future growth through identifying and executing new business initiatives and commercial opportunities. This is a hands-on role leading a small team, to deliver a quality financial management function.

Exciting aspects of this role include:

- Planning, budgeting, forecasting and analysis
- Asset management and investment strategies
- Identifying new revenue opportunities
- Business case feasibility and analysis
- Commercial support to the wider organisation

CPA/CA qualified, you possess strong technical accounting and modelling skills. You have a high level of business acumen and a strategic and entrepreneurial approach. You have a demonstrated ability in motivating a team with enthusiasm and communicate to influence key stakeholders.

You can apply by emailing fran@smp.net.au or, for a confidential discussion please contact **Kim Smythe on (03) 8341 8707.**
